## YOUR TRAVEL PLANS

*You only need to complete the following if you plan to be in the tour area before or after the trip.*

My plans are to arrive at the 'gateway airport' on:

I plan to fly home on:

*We suggest that you email your flight itinerary to [phototours@travelimages.com](mailto:phototours@travelimages.com)*

### **VERY IMPORTANT! Regarding the booking of your flights**

Please do not book your flights until the trip is confirmed as a 'go' by myself via email. However, for most photo workshops it's safe to book flights if the online brochure shows 4 clients or more already registered. To confirm this, send me an email as I am often on tours but check my accounts frequently.

Once the trip is confirmed as a 'go', please arrange your flight/s to arrive in the gateway airport by the specified local time in the online brochure. For example, look near the top of the page for, 'Gateway airport: Christchurch, New Zealand [CHC]. Arrival window: 7 a.m. to 11 a.m.'

If it's not possible for you to make the appropriate connections and arrive in the suggested time 'window', please consider arrival the previous day. You must arrive no later than the latest time indicated in the arrival window or you will need to make arrangements at your own expense to catch up with the group. This is because I'm unable to delay the rest of the group for much time after the arrival window due to photography considerations. Thank you!!

## INSURANCE COVERAGE

TRAVEL IMAGES is not responsible for cancellation due to illness, injury, accident, loss, damage or theft, and urges tour participants to arrange adequate insurance coverage. The insurance should cover non-recoverable portions of tour and air costs, plus personal injury and loss etcetera. Your travel agent can provide details and coverage, or go to the websites of these tried and trusted entities: [www.travelinsured.com](http://www.travelinsured.com), [www.travelguard.com](http://www.travelguard.com), or [www.travelex-insurance.com](http://www.travelex-insurance.com). In addition, [www.insuremytrip.com](http://www.insuremytrip.com) is considered to be a trustworthy travel insurance comparison site.
